**PLAN YOUR ROUTE**

**1. Do not disturb or remove plants,**
**2. Electric bicycles are prohibited.**

**OTHERS. Slow down and announce**

**TRAIL SEGMENTS**

Trail segments are divided between environmental markers and labeled with the length in miles. Add all the segments together to determine the total length of your trip.

**ELEVATION CHANGE**

Use these labels to understand the elevation change (gain or loss) between trail segments and determine the level of difficulty you will experience along the trail.

**MARCOS’ TRAIL**

This 515-mile trail loops the Phoenix Metro area and links nine of Maricopa County’s Regional Parks. For more info please visit: maricopaparks.com/marcospedaltrail.

**TRAIL ETIQUETTE**

- **Yield to horses. Sudden movements or loud noises could startle them.**
- **Bicyclists and trail runners should travel at safe speeds and yield to all others.**
- **Slow down and announce your approach.**
- **Motorized vehicles, including electric bicycles, are prohibited.**
- **Please be courteous and share the trail.** When in doubt, give others the right of way.
- **Protect the Preserve. Stay on the trail, avoid wet or muddy trails and do not disturb or remove plants, rocks or other artifacts.**
- **Dogs must be on leash at all times.**
- **Please pick up after your dog.** There is no poop fairy.

**HOURS**

The Preserve is open only during daylight hours. Nighttime use is reserved for the wildlife.
